SHUGRUE AFTER KAYO IN BOUT WITH WELSH

Jersey City Light-weight Has Intention of Repeating in Fight with Champion Tonight.

New York, Feb. 8.—Word came tonight from the training camps of Freddie Welsh at Oceanport, N. J., and Joe Shugrue at New London, Conn., that these two light-weighters are at weight and ready in every way for the going that will start them on their second ten-round battle in Madison Square Garden tomorrow night.

The boys met just about a month ago, and Shugrue was awarded the popular newspaper decision after a fight in which the champion was out of the ring for a short time. Shugrue, who is a good light-weight, will "go" in but no one expects Shugrue to win, at least, not in ten rounds.

There is practically no betting on tomorrow night's fight, but the forecasters are picking Shugrue to win again by a slight shade. If he loses to Shugrue again and is to meet Welsh in a third round, it is likely that he will come to be known as "the boy who lost to Shugrue" and that he will be out of the ring for good.

Old Fox Declares He Was Promised Eddie Murphy by Baltimore Manager.

OTHER SPORTING GOSSIP

By WILLIAM PEET.

"I can't let Jack Dunn get away with this! He told you about the Eddie Murphy deal," said Clark Griffith to the writer last night.

"I was to have Murphy for my club, and Dunn never gave me a chance to bid for him. If Dunn had asked \$50,000 for Murphy I would have paid it."

The Old Fox was considerably peeved at Dunn's statement published in the columns Sunday to the effect that he was offering a chance to put in a bid for Murphy and could not better the terms submitted by Connie Mack.

The first season Griffith had charge of the local club he was struck with the ability of Eddie Murphy, who was then holding down one of the outfield jobs for Dunn's Baltimore International League team. Griffith turned over number of players, including Dixie Walker and Barney Peltz to the Orioles with the understanding that he was to get Murphy.

As the matter turned out, Connie Mack grabbed Murphy, buying him with Jimmy Walsh, for \$5,000 and five ball players. Griffith declares that he was entirely left out in the cold, never given a chance to bid for the outfielder.

According to the Old Fox Dunn informed him at the last minute that Murphy would be sold and that he would be able to bid for him. Griffith was so taken by this fact, that in a draft for the season he was to have Murphy. Dunn broke faith in disposing of Murphy to Connie Mack without giving him a chance to bid.

Jack Dunn, of course, tells another story. But Griffith still maintains Dunn slipped one over on him.

Griffith recalled that Griffith and Dunn were very good friends last summer. The Old Fox has since that time patched up the difficulties, for he will play two seasons in the league with Dunn's team. He has not forgotten the Murphy episode, you can bank on that.

From St. Louis comes the report that President Hedges, of the Browns, is greatly pleased in obtaining Billy Lee, the outfielder, in last summer played with the Cardinals. Lee is a first-class League club.

Lee went to Charlottesville with the Cardinals, but he was not able to play with them. He was sent to the Cardinals, but he was not able to play with them. He was sent to the Cardinals, but he was not able to play with them.

The writer is of the opinion that Lee is a good player, but he is a little bit of a trouble maker. He is a little bit of a trouble maker. He is a little bit of a trouble maker. He is a little bit of a trouble maker.

Mike Mitchell, who is spending the winter in Cuba, is out with a kick. He is out with a kick. He is out with a kick. He is out with a kick.

Jimmy McAleer, who is in his first year of the Cardinals, is a very good player. He is a very good player. He is a very good player. He is a very good player.

The American League schedule is not pleasing to Manager Jennings and the owners of the Tigers. Out in Detroit, they are not pleased with the schedule. They are not pleased with the schedule. They are not pleased with the schedule.

During the month of September and October the Tigers are listed for only four games at their own park. They are listed for only four games at their own park. They are listed for only four games at their own park.

The Philadelphia club, "Stuffy" McInnis, and Frank Baker, were members of the Athletics, and now, Sherwood Magee, was the uniform of the Philadelphia.

The other members of the famous ten are Honus Wagner, Napoleon Lajoie, Sam Crawford, Ty Cobb, Tris Speaker, and Joe Jackson.

After the Athletics, the club could boast of having three men in the list, while Cleveland and Detroit each furnished two members of the combination. The Athletics, and now, Sherwood Magee, was the uniform of the Philadelphia.

Baker, Sherwood Magee, Jackson, and McInnis can claim a batting average of 300 or better for five years. Eddie Collins and Speaker reached the mark five times, Cobb nine times, Crawford eight times, Lajoie sixteen times, and Wagner has the best mark of all those now playing—seventeen times.

Of the old timers, Pop Anson was the only one to beat Wagner's record. For twenty seasons Anson piled up a percentage of 300 or better.
